Den News

Tiger Cub Den

The Wolves and Bears were joined by a brave Tiger in hiking and knotting and whittling! The brave Tiger helped to find all sorts of stuff on a nature hike!

Wolf Den

A couple of Wolves went camping and learned that your parents aren't too happy when you pick up a SNAKE! We had a good time learning some whittling skills and worked with the other Scouts to find the treasure using our compass!

Next Month's Theme:

SUMMER FUN!!

Bear Den

A bunch of Bears went searching in the woods! We found snakes and fish and daring stunt turtles! We learned about knots and whittling and compasses! We even learned about how a GPS works!

Webelos Den

Our Webelos Den leaders have been busy training! They went to Gilwell in search of a ticket! Ask them more about their adventure when you see them! They have big plans on making our Pack a better Pack!
